SDO 7/3/52

5) The present recommendation of the HL Commissioner cannot be accepted because the first Govt order was to the effect that Sri H.S. Srinivasa Rao cannot be started on a special pay and that he may be started as any other typist and that if he does as given more work, some special allowances may be given to him. When the recommendation was made to Govt for the second time, the Resolution of the Corporation was quite clear i.e. that he may be given Rs 60/- from 1-1-50. This was sanctioned vide file placed below. Now the Resolution of the erstwhile city HL cl cannot be re-iterated as the 2nd Resolution of the Corporation which was sanctioned by Govt on 5-7-51 has superseded the 1st Resolution of the erstwhile HL cl. Hence there seems to be no ground to sanction the recommendation of the Comr dated 26-2-1952

(13) The case was got examined by the Auditor of the Corporation. The resolution of the former Bangalore City Municipal Council was to the effect that Sri. H S. Srinivasa Rao may be fixed on Rs 60/- p.m. in the grade 45-3-60-4-100 from 1-1-47. When this was recommended to Government, it was ordered in G O No L 7216-8/ C M. 6-49-12 dated 17-1-50.that this official may be given the minimum pay of Rs 45/- along with some others whose cases had also been put up before Government and that if he was doing any extra work, some allowance may be given to him In the meanwhile he was allowed to draw Rs 60/- from July 49 on the strength of the Council Resolution dated 13-7-49 as stated in Commissioner's letter No. A5-C 573/48-49 dated 14-10-49 till 1-1-50 when audit took objection to the continuance of this enhanced pay. As a result of this, the Corporation again resolved that the previous Council resolution fixing his pay at Rs 60/- may be reiterated and that he may be allowed to continue to draw Rs 60/- from 1-1-1950. This second resolution appears to have been construed as meaning that the official may be given Rs 60/- from 1-1-50. But it states " may be continued to be drawn from 1-1-50".

(14) The Corporation have not taken up the suggestion of Government to give the official some allowance if he was doing good and extra work. On the other hand they are simply pressing for sanction of the old resolution.

15) In this case if the resolution of the former Municipal Council is sanctioned it results in giving five advance increments to the official with retrospective effect dating as far back as 1-1-1947 involving an extra cost of about Rs 1,140/-.

16) In the case of the 2nd Dvn clerk Sri Devadanam the Corporation had recommended the fixation of his pay at Rs 48 while he was getting only Rs 40/- with effect from 13-6-49 but Government in G O. No. L 13231-4 C.M. 3-51-42 dated 18-2-52 allowed him the enhanced pay from the date of the formation of the Corporation observing that the Auditor of the Corporation was in order in allowing the enhanced pay from 8-12-49.

A In the same way since the maximum pay of the post does not exceed Rs 100/- and it is within the competence of the Corporation to allow increments in the case of such posts, the proposal of the Corporation may perhaps be sanctioned with effect from 8-12-49, the date of the formation of the Corporation?

18) It is held by the Controller that as the pay of this post does not exceed Rs 100/- it is within the competence of the Corporation to allow increments [illegible] which it could be with effect from 8-12-49 the date of constitution of the Corporation

19) As regards the resolution of the Corpn,

The Standing Committee to be deemed functus officio as the Corporation has ceased to exist. The question is whether a mere interpretation of the provisions relating to the establishment of Municipal Council to allow the benefit of higher fees (from 1.4.47) But the wording of the Resolution seems to allow contributions have arisen in this case

2) If the above interpretation of the answer regarding the date from which the benefit is to be allowed is accepted there the question arises whether the Corporation can be considered to function as a Municipal Council to confer a benefit. Earlier similar to the proposal from a date prior to the inauguration of the Corporation. In the case of Sri. D. Venkataswamy Naidu Vs Ramiah, the fees were held to be granted by Government retrospectively before the Corporation is perceived and orders have also issued accordingly in those cases

21) The Law Secretary may perhaps be also consulted on this point for a specific reply again.
